▶ Meet Meredith Meyers:

- ▶ Meredith Meyers supports the Membership team at PMI Metrolina. She maintains the volunteer database for the chapter. She is currently working as a technical project manager at a health insurance company. In addition, she has been featured in a news article recently at her local town for her contributions and dedication toward breast cancer awareness. Meyers also volunteers with a women's co-dependency recovery program, and has led the coordination of local blood drives in her community.
