PURPOSE AND SCOPE

The PMI-Metrolina Mentorship Program is here to help provide assistance to students and working professionals who are members of the PMI-Metrolina Chapter of the Project Management Institute. Having a credential through PMI is not requirement for participation.

Mentor Definition: An experienced professional in a project management related field or specific knowledge area that can provide guidance and leadership.

Mentee Definition: A PMI-Metrolina member that requests assistance in a specific field or knowledge area related to project management.

The mentor will:

- Provide guidance and direction for studying for a PMI exam
- Provide an expert opinion on project work if assistance is needed
- Provide information concerning PMI-Metrolina and the ways you can become involved
- Offer advice concerning marketable skills in a specific industry

The mentor/mentee will NOT:

- Use this opportunity to sell services or products
- Pressure mentors for job positions, letters of recommendation, or a volunteer role with PMI-Metrolina
- This is NOT a dating service
- This is NOT a tool to get someone else to do your homework for you or attempt to cheat in any way, shape, or form on exams, assignments, or tests
- Verbal, physical, or emotional abuse is not tolerated from either party and if reported to the Mentorship Committee Chairs then it will be referred to law enforcement as deemed reasonable
- Use the power dynamic to ask for favors that are inappropriate and/or outside of a professional capacity

Professional behavior is expected by all participants during each meeting no matter the medium used for communication. Any inappropriate behavior should be reported to the Mentorship Committee Chairs by sending an e-mail to mentoring@pmi-metrolina.com. The mentor or mentee is expected to terminate communication if they feel that the situation has turned unprofessional and report it to the

Mentorship Committee Chairs immediately. The Mentorship Committee Chairs will investigate each claim reported and may need to involve law enforcement depending on the circumstances. Unprofessional behavior will not be tolerated.
